

FIG. 1

The screenshot shows the "RightCardWare" software interface. The title bar reads "RightCardWare - [Impression - Dr. Laurence E LaForge The Ri...". The menu bar includes "File", "Card", "Layout", "Window", and "Help". The main window has a "Scan" button and a "Ctrl+A" shortcut. Below this, there are fields for "Import from CardScan" and "Export to CardScan" with a "Ctrl+T" shortcut. The form is divided into sections for "Name", "Business", "Home", and "Image". The "Name" section includes fields for "First" (Laurence), "Middle" (E), "Last" (LaForge), "Suffix" (PhD), and "Nickname" (Larry). The "Business" section includes a "Formatted Name" field with "Dr Laurence E LaForge". The "Image" section includes an "Email" field with "Larry@The-Right-Stuff.com", a "URL" field with "http://www.The-Right-Stuff.com", and a "Notes" field with "Liberating you with computer stuff that really works".
